

HELMET HOLDER

The helmet holder is located under the seat. To use the helmet holder, remove the seat (page 30).

Route the helmet holder cable (1) through the helmet D-ring (2) and hook the loops of the holder cable onto the helmet holder (3). Install the seat.

When the helmet holder is not used, fasten the holder cable to the rubber band (4) with the tool kit.

(1) Helmet holder cable
(2) D-ring
