

OFF-ROAD SAFETY

Learn to ride in an uncongested off-road area free of obstacles before venturing onto unfamiliar terrain.

- Always obey local off-road riding laws and regulations.
 - Obtain permission to ride on private property. Avoid posted areas and obey “NO Trespassing” signs.
 - Ride with a friend on another motorcycle so that you can assist each other in case of trouble.
 - Familiarity with your motorcycle is critically important should a problem occur far from help.
 - Never ride beyond your ability and experience or faster than conditions warrant.
 - If you are not familiar with the terrain, ride cautiously. Hidden rocks, holes, or ravines could spell disaster.
- Muffler is required in most off-road areas. Don't modify your exhaust system. Remember that excessive noise bothers everyone and creates a bad image for motorcycling.
